Terms & Conditions

- The NewLife™ Health Maintenance Program (hereinafter refer to as Autoship Program) is open to all NewLife™ Independent Business Owners (IBO) and Smart Savers (SS) only.
- SS will not have PV or BV for their autoship; however they will enjoy savings of up to 15% that is equal to IBO.
- The Autoship Program is voluntary, and NewLife™ does not require IBO to participate in the program as a prerequisite for eligibility to NewLife™ compensation plan.
- To enrol in the Autoship Program, simply complete the NewLife™ Autoship Order Form.
- There will be no minimum amount for autoship orders, but for order below \$200 (incl. GST), the prevailing handling and delivery charges will be borne by the IBO.
- In order to enjoy the 15% savings on products, IBO are required to maintain the same autoship order for the initial 3 months during their first autoship participation. Thereafter, they are not required to do so while they continue to enjoy the full benefits of the Autoship Program.
- Autoship orders will be processed on the 7th (or the next available working day) of every month upon clearance of payment. Any changes or cancellation after the 7th of the month will only take effect in the following month.
- The PV and BV from Autoship will be credited to your personal account only (i.e. account owner). PV and BV are not transferable to other accounts or Business Centres (BC).
- NewLife™ will automatically debit the IBO/SS' credit card or bank account for the amount of the product order plus applicable handling and delivery charges on a monthly basis, unless the IBO/SS inform NewLife™ of any changes or cancellation in writing.
- If the IBO/SS wish to change their autoship, they are required to complete and sign the Autoship Order Form, and contact NewLife™ personally. An administrative fee of \$5 is applicable per change of autoship product order and/or delivery address.
- Once initiated, the IBO/SS' autoship will remain in effect until he or she terminates it in writing.
- Changes or termination in writing must reach NewLife™ at least 10 working days prior to the order being processed.
- NewLife™ reserves the right to limit IBO/SS' account activities, e.g. bulk purchase on autoship i.e. maximum 10 units per product.
- IBO/SS can either collect their autoship orders from NewLife™ Singapore office or have them delivered to their registered or preferred address in Singapore (as per Autoship Form).
- Autoship products that are uncollected for two months will be sent to the IBO/SS' latest registered address on the Autoship Form. Delivery charges, if any will be debited automatically from the IBO/SS' bank account or credit card.
- Autoship is excluded from promotions, discounts, quantity discounts, and vouchers (cash vouchers, discount vouchers, etc.).
- Should the IBO return or exchange products, or cancel their IB Ownership which will affect the commission qualification, NewLife™ reserves the rights to debit any commission earnings, processing fees and the value of the reward(s) from the IBO's commission, subject to the Goods Return Policy of NewLife™.
- Any products return or exchange or cancellation of IB Ownership/Smart Savership will also be deemed as discontinuation and termination of the Autoship Program where all rewards will be withheld and the IBO/SS will no longer enjoy any autoship rewards.
- Any cancellation of autoship under an IBO/SS will automatically reset the autoship accumulation month to zero.
- All autoship will commence and end via rolling calendar, i.e. regardless of the joining period, your autoship cycle will end at the twelfth month of a year. E.g. An IBO who joined in Feb 2010 will have his/her autoship cycle ends in Jan 2011.
- Qualified IBO/SS will receive the rewards on their following autoship upon completion of 3, 6 or 12 months, i.e. an IBO who has completed his autoship cycle from January to March will be able to redeem his rewards in April.
- The rewards are non-refundable and non-exchangeable for cash. IBO/SS can use the rewards to purchase NewLife™ products only and the product purchased will not carry any Point Value (PV) or Bonus Value (BV).
- IBO/SS must redeem their rewards within 2 months upon the completion of their autoship cycle, herein referred to as Rewards Redemption Period (RRP). Unredeemed rewards for 3 and 6 month cycles will automatically be rolled-over as accumulation for the next rewards' cycle. E.g. Unredeemed 3 months rewards will be accumulated for 6 months rewards. All rewards that are unredeemed after the RRP upon completion of the 12 months autoship cycle will be considered invalid.
- The decision of NewLife™ is final. In the case of any differences in interpretation, NewLife™'s interpretation will prevail. IBOs should write to NewLife™ for clarification, should they have doubts or questions on the technicalities of the Autoship Program.
- NewLife™ reserves the rights to amend or change the terms & conditions at any time, without any prior notice. NewLife™'s decision is final
